anukriti,

Sharing this moment with you fills my heart with so much joy. For months, I've thought about this - dreaming of the perfect way and the perfect place to do it. But no matter how many ideas crossed my mind, only one place truly felt right—Goa.

It's here, surrounded by all this magic, that I want to ask you something I've carried in my heart for so long...

VICKY & ANUKRITI
